

## COGS Youth Small Groups

We meet on Mondays to explore Christian life and discipleship together

At our small groups this means creating community, studying the Bible, meeting with God and taking on practical projects... we try to fit all of this in every month!

---

**Week 1:** We focus on community and welcome by enjoying a social evening all together.

**Week 2:** We get stuck in to the Bible to see what God has to say about topics we've picked. We meet in 2 groups in our leaders' homes to allow for age appropriate discussions. There's always snacks, fun and an engaging and interesting exploration of a relevant topic.

**Week 3:** We put our faith into practical action with some kind of project designed to serve/help others.

**Week 4:** We repeat week 2 with a new topic!
