

Open for Services

The church is open for services. Tickets for our 9.30am services are released the Monday before at noon.

If you find that tickets are sold out, please either join the waiting list or contact us directly so we know - this will inform future decisions about how many services we offer.

Online Church and Paper church will still be provided.

A note from the Strategy Team

We are so grateful to everyone who took part in our recent conversations through Zoom and the questionnaire. We have spent the past few weeks collating and reading through all of the data and ideas that you shared, and we are really encouraged by the many ways that people are already responding to God's love by growing deeper in God and larger in mission.

We are currently exploring some of the main themes that have arisen from what you shared with us, including issues like communication, resources for discipleship and social opportunities – among many others!

There are many things that seem to be already working well, which we are seeking to encourage and build on, as well as finding ways to address the challenges that have been communicated. Please continue to pray with us as we seek God's guidance in shaping our church for a changing context. With thanks from Abi, Andy, Lorna and Pip

Message from Ali Beckett (Starfish Malawi)

Thank you everyone for supporting the recent Starfish Malawi Covid 19 Oxygen for Life appeal. So far Starfish have purchased 4 oxygen concentrators and 4 pulse oximeters, which arrived at Salima hospital two weeks ago.

In addition a training course has been paid for, which will train two medical people in how to maintain and repair concentrators (as there are many concentrators not being used in Salima hospital because no one knows how to repair them).

Furthermore a Covid vaccine awareness programme has been set up in Salima and the surrounding villages to encourage people to be vaccinated, as there is a lot of resistance to the idea.

So far the appeal stands at £10,500 and will remain open until the end of July.

Once again, thank you so much for helping to save lives in Malawi. Love Ali ☆

SERVICE

Westlands

For many years a small group from COGS has taken a Communion service into Westlands Care Home monthly. During the pandemic this had to stop and an audio taped service was made and used by the activities manager with the residents. We and they have missed the interaction by not going in and spending time with them.

The good news is that Westlands would like us to return for live services from July.

To do this properly we need a few more people to join us please.

Just once a month we spend between one and two hours where we set up, talk to the residents, give the service and then pack up. If you would like to be part of the team please let me know. Am happy to answer any questions and perhaps you could join us for a visit and then decide if this is for you.

The management and staff are welcoming and say that after our visits the residents are relaxed and content.

If you would like to make a difference to the lives of the Westlands residents then please consider joining us.
