

## Open for Services

The church is open for services. Tickets for our 9.30am services are released the Monday before at noon.

If you find that tickets are sold out, please either join the waiting list or contact us directly so we know - this will inform future decisions about how many services we offer.

Online Church and Paper church will still be provided.

## A note from the Strategy Team

We are so grateful to everyone who took part in our recent conversations through Zoom and the questionnaire. We have spent the past few weeks collating and reading through all of the data and ideas that you shared, and we are really encouraged by the many ways that people are already responding to God's love by growing deeper in God and larger in mission.

We are currently exploring some of the main themes that have arisen from what you shared with us, including issues like communication, resources for discipleship and social opportunities – among many others!

There are many things that seem to be already working well, which we are seeking to encourage and build on, as well as finding ways to address the challenges that have been communicated. Please continue to pray with us as we seek God's guidance in shaping our church for a changing context. With thanks from Abi, Andy, Lorna and Pip
